

First,
we helped
smallpox
become
eradicated.

Now, we're
making sure
it stays
that way

PRECISION
MEDICAL PRODUCTS, INC.

Our experience and innovation are helping to fight today's bioterrorism.

- Entrusted by the U.S. government to develop high volume manufacturing process for Bifurcated Vaccinating Needle (BVN)
- Produced sufficient bifurcated needles for the smallpox vaccine for every U.S. citizen after 9/11
- Met the needs of the U.S. and other countries in record time
- Developed high speed needle packaging operations to satisfy critical requirements
- Original manufacturer of the bifurcated needle used for the smallpox vaccine in the 1960s

With over 50 years of success, PMP is one of the world's leaders in the manufacturing and packaging of specialty medical devices. If you have an innovative device you want to bring to market, put our manufacturing expertise to work.. After all, that's what the U.S. government did.

Total manufacturing source for innovative medical devices.
